

# The colorful six

Who said that the color of a tool trolley must be dark and industrial? Here are some colorful options.

Tool trolley in sturdy steel design with shock absorbing protection in all four corners. The drawers pull out fully and have sturdy ball bearing runners.

All drawers are locked with a central locking system, the drawers also have transport locking when closed, ensuring that the trolley can be moved without the drawers sliding out. Large, caster wheels (PP), two with braking function, 125 x 50 mm. Heavy-duty rubber mat for the work surface and thinner mats for all drawers.

All drawers are endurance tested at a 30 kg load for 50,000 cycles. The trolley is endurance tested at a 300 kg load via a 20 km drum test with obstacle.
